Brief Details.

On 14/08/2024 at about 0750hrs, I was riding my motor bearing the vehicle registrations of FBU9221K along West Coast Road near the West Coast Gardens. I was turning left hence I stopped before the turning point as there were on-going vehicles.

When I have stopped my motorcycle, A Blue Taxi bearing the registration number of SHC1434P have collided and knocked my vehicle from the back. This collision caused my motorcycle to be knocked down. I pulled myself out from my motorcycle. There was a passerby that helped me to carry my motorcycle up.. My motorcycle and the Taxi were damaged. I wish to state that I have the picture of the accident.

I have suffered injury on my right leg but there was no injury to the driver. I wish to state that I do not have his particulars.

After the collision, I went to the Holistic Clinic & Surgery as I felt pain on my right leg and have received 3 days of MC. 14/08/2024 till 16/08/2024.

I am lodging this report for my insurance purposes also.
