Brief Details.

On the above-mentioned date time and location, I was driving along Scotts Rd, just before the roundabout. I am stationary and another vehicle (I do not have the plate number or make/model of the vehicle) came from behind and had banged my car. I had a passenger in my rear seat, and he informed he is not injured. I then alighted from my vehicle and approached the other vehicle. I told the driver to stop by the side and settle things amicably and he signaled to stop Infront as such, I continued driving and stopped at the bus stop however I noticed the car was no longer behind me. I wish to state I have a working front car camera, and I am not injured.
