POLICE REPORT (NP299)

CONTINUATION OF REPORT

Report No. E/20240822/7010

Around 6:15 p.m., my father was in queue to perform a U-turn in front of Nanyang Girls' High School on Dunearn Road to Bukit Timah Road when he was hit from behind by a blue ComfortDelgro cab. SHC 8857 G.

My father thought his motorbike had an issue with the accelerator, so he applied the brakes, but this caused him and the bike to fly forward for about 2 meters. The bike crashed on him, pinning him to the ground on the left side of his body, while the cab driver watched (merely enquiring if he was okay and not stepping forward to help in any way). My father had to drag himself out of the bike and onto the roadside kerb, while the cab driver did nothing.

When I arrived at the scene at 6:36 p.m., the driver was standing next to his cab, telling me that he (quote) forgot to leave the foot on the brake (unquote). He repeatedly asked me to tell my family not to sue him for reckless driving. I'm not sure why he made such a request, but I noted he had a pregnant lady in his taxi.

He wanted to exchange numbers but wouldn't tell me his name. Throughout the incident, he was solely worried with the fine he would receive from the traffic police and whether we would sue him.

The SCDF ambulance sent my father to Tan Tock Seng Hospital with a swollen ankle, abrasions on his extremities (where flesh could be seen), and a suspected back injury. My father was released from the hospital last night on a 7-day medical leave.

IO Shaye has been assigned to his case.

Today, at 10:01 a.m., the taxi driver called again to implore me not to sue him. When I asked him if he was on the phone and why he didn't help my father up or even pick up the bike from him, he answered that (quote) my father last time told me that we cannot touch old people when they fall down (unquote). I declined to prolong the conversation, so I hung up.
