Sketch Plan

Describe Circumstance of the Accident

I was on my way home from Bukit Batok around 3:20 pm on 21/8/24. When I was on Choa Chu Kang Rd, around lamp post 10, there was road works going on and the extreme left lane was closed. There was heavy traffic too. I was at the centre lane and not moving, stationed probably was red light or something. All cars were stopped. Suddenly I felt that I ~~was~~ my car shaked. For a moment I was shocked. Then I realised a SMRT double deck bus hit my car. He was trying ~~his~~ to squeezed through on my right. My right side mirror was badly damaged by the hit. The covers fell on the road. I managed to pick it up after.

The SMRT bus is bus number 67 with car plate no SMB5077G. Driver is Mr Kalaiichelvan A/L Kannan. His mobile number is 88573559. He admitted he was at fault.

I was wondering why the bus ^{was} on the extreme right lane.

He did apologise to me. I was lucky that I was not hurt and only right side mirror was damaged. Then again, is the time and trouble that I need to do all the claiming stuffs. Waste my time.

There was a lot of traffic controller at the time of accident and one gentleman came to me and told me to take down the lamp post number.

Declaration

I/We declare the foregoing particulars are true in every respect
