**Brief Details.**

On the 17/08/2024 at about 1831hrs, I was riding my vehicle (FBE5816E) along the junction of Braddell Road and Bishan Road. As the traffic light was green in my favour, I proceeded to ride straight and suddenly, a car (SGN2727S) came from the right. I am very sure it was the car (SGN2727S) ran a red light. I did not manage to avoid the car (SGN2727S) in time hence I collided onto the edge of the left side of the car (SGN2727S) but he managed to avoid me. After which both my pillion and I fell. The other driver then parked on the side and alighted his vehicle (SGN2727S) and came back to check on the accident.

My vehicle (FBE5816S) sustained major damages to the extent that it was unable to ride anymore hence I had contacted my tow truck immediately as it was in the middle of the junction. I suffered some injuries on my right arm, left knee and lower back. The other driver did not suffer any injuries, and his vehicle had minor damages. We both exchanged our particulars and contact number and he suggested for private settlement and he can only afford S\$1000. I informed him that I will claim insurance on this and to proceed with the necessary.

I then proceeded to Raffles Medical to get myself checked. The doctor then referred me to NUH for further checks on the injuries on my left knee and the pain on my lower back. I went to NUH immediately after being discharged from Raffles Medical and the National University Hospital doctor checked on me and gave me a 5-days Medical Certificate from 18/08/2024 to 22/08/2024. There was no Traffic Police at the scene.

I wish to add that my vehicle does possess an in-car camera but I am unsure whether I am able to retrieve the footage. However, I managed to take a footage from an in-car camera from a
