Dear Workshop,

Thank you for your email.

The survey appointment has been scheduled on **02/09/2024**. There is no fixed time.

While we will do our best to survey the damage on site, there may be a situation that we would need your co-operation to assist us to do it remotely via video. Our surveyor will liaise with you accordingly.

Please ensure that the vehicle and the repair estimate are available. We seek your understanding and patience that our surveyor will survey the vehicle at the earliest possible time.

Warmest Regards,

Daniel Ng
