Brief Details.

I was at the stop line waiting to exit carpark, SK52, 316A Anchorvale Link, Singapore 540318 when a white subaru, SKW4582J turned into the same carpark and in the process, sideswipe the aft right wheel area of my vehicle. The car did not stop and continued into the carpark even though I pressed the horn to get the driver's attention. The driver seemed reckless as two girls were also attempting to cross the road and had to step back to avoid being hit by the car. I had to make a detour to go back into the carpark and by then, the offending car was parked and the driver no where to be seen. I have videos exceeding 2MB each and more pictures not exceeding 2MB in size
