Brief Details.

On 16/09/224 at about 1900hrs, I was driving my white in color Toyota Vios (JSA9700) along Pasir Drive 1 towards Loyang Avenue and had stopped due to the red light. I was about to make a right turn onto Loyang Avenue as the light turned green when I felt a strong impact coming from the rear. I then alighted to make a check and discovered that the front of a white in color Volvo FMX370 (XD6820E) had collided with the rear of my car. Both the driver and I exchanged our particulars and took photos of the accident. Shortly after, Traffic Police officers came and interviewed me before advising me to lodge an accident report. The rear of my vehicle was damaged due to the collision.

No one was injured after the collision. I have asked the driver for his vehicle's insurance, but he left me on seen and did not reply. I am lodging this report as instructed by Traffic Police.
