# Brief Details.

On 16th September 2024 at about 1748hrs, I was driving my van (White Toyota Hiace, PD5852P), along Mandai Road towards Bukit Timah Expressway near L/P 289 and met with a road accident involving 2 other vehicles.

I was travelling on the first lane from the left of the 3 laned road. The van (Silver Nissan, GBH4055A) ahead of me had made an emergency brake, which caused me to also hit on my brakes and come to a complete stop behind it. I was able to stop on time and did not collide onto the said van. However, there was another van which was on my rear, then rear ended my

3 of 4 Report No. T/20240916/2098

CONTINUATION OF REPORT

van, and the impact from it caused my van to be pushed forward and results in my van to rear end the van which was ahead of me.

Thereafter, all the drivers from the 3 vehicles then exited our vehicles to make a check on ourselves and also our vehicle. My van had sustained dents and scratches on the front and rear bumper, and the rear door glass window shattered. The van ahead of me had dents and scratches on its rear bumper and the van behind me had dents and scratches on the front bumper. Shortly after, a police car came by to assist and advised all of us to lodge a police report on the accident. The other driver and I then made an exchange of particulars and discussed on the repair damages. We have chosen to settle the repairs through insurance claim. I am unsure of the extend of the injuries suffered from the other drivers.

I had sustained back pain and also chest pain due to the accident. I visited Mount Elizabeth Hospital to seek treatment and was given 7 days of MC from 16th September 2024 to 22nd September 2024. I have an in-cam camera installed in my vehicle and I have the footage of the accident. I affirm that no there are no passengers in my vehicle during the time of accident. No government property was damaged.
