<p>I, LCP DHASARATHA RAMAN SHIYAM (T [REDACTED] 111E), was returning back to Kranji Camp 3 (KC3) from Murai Urban Training Facility (MUTF) after the conduct for SSIR was finished. My Vehicle Commander (VC) was 3SG Aubrey and my Front Passenger (FP) was LCP Sheikh. I was on Old Choa Chu Kang Road. There were two lanes turning right into the two lane road of Sungei Tengah Road. I was on the right most lane on Old Choa Chu Kang Road to turn right. Instead of turning into the right most lane of Sungei Tengah Road, I went directly into the left most lane of Sungei Tengah Road. A Civilian (CV) car was on the left lane turning into the left lane. I didn't see it because it was in my left blind spot. Since both the CV car and my vehicle were turning into the left most lane of Sungei Tengah Road, my front left bumper collided with the right back bumper of the CV car. My VC quickly shouted at me to stop the vehicle. I went to a safe spot and a few metres away and stopped the vehicle. The CV vehicle parked in front of me as well. That is all I have to say.</p>

Instead of turning into the right most lane of Sungei Tengah Road, the TO went into the left lane turning into the left lane. I was looking out of the cabin window in case the TO hits the curb. I did not notice the civilian car until the tonner collided with it. Upon hearing the impact, I immediately called for the TO to stop the tonner and halt by a safe spot beside the road. When the tonner stopped, I immediately contacted my SM and OC before disembarking to check the damage to both vehicles. The front left bumper of the tonner had collided with the right back bumper of the CV car.</p>
