Brief Details.

On 24/09/2024 at about 0140hrs, I am driving vehicle bearing SNR7378D along Marina Coastal Expressway towards Jurong. Upon reaching MCE tunnel, I was driving on lane 2. Suddenly, I felt an impact coming from the rear. I slowed down before coming to a complete stop. When I came down from the vehicle to make a check, I noticed I was rear-ended by a blue van bearing GBM5725S. The driver did not provide any explanation for the collision but he seems to be rushing. I asked if he was injured, he told me to claim insurance.

I am not injured from the accident. I requested for his particulars and he handed over his IC and driving license. The driver then left in a hurry.

Shortly later, tow truck came to my location and they called for police assistance. As such, traffic police came to my incident location and they retrieve my in-car camera. I was also advised to lodge a police report.
