CONTINUATION OF REPORT

Brief Details.

On the abovementioned mentioned date, time and location before TPE flyover, I was involved in a 3 vehicle chain collision. I was on lane 3 travelling towards Pasir Ris when the vehicle infront of me (BLUE TOYOTA SIENTA, SMX9930B) slowed down and came to a stop in the yellow box. I followed after and came to a stop when suddenly a van (GREY NISSAN, GBF8448J) collided with my rear causing me to jerk forward and colliding with the car infront of me. All of us got out of our vehicles and exchange particulars. My vehicle suffered dents and scratches to its rear bumper and misalignment causing difficulty in opening/closing the car boot. My front license plate is also dented. I also observed the vehicle infront of me to have dents to its rear and the van behind me to gave dents to its front bumper. I am lodging this report for insurance claims. I was given 3 days MC.
