Brief Details.

I wish to refer to my earlier Traffic Accident report no. T/20240905/7055, made on 5 sept 2024 at 13.45pm.

I wish to state that the lorry that caused the big generator to roll down and hit my motorcycle is XD9447E. This lorry was parked in the construction site on the other side of the road that negligently caused the big generator that was on this lorry to fall down and rolled across the road to my lane and violently collided into my motorcycle no. FBT9863M.

The big generator rolled down very fast because it was a slope and i had no time to react which resulted in the serious accident with my motorcycle causing me and my wife (pillion), Nordalina Binte Jumahat to fall off the bike and suffered serious injuries.

I and my wife were later conveyed by ambulance to KTPH for medical treatment. I was given 9 days of Hospitalization Leave and my wife was given 11 days of Hospitalization leave. I am still warded in Yishun Community hospital for rehabilitation. I suffered head injuries, open fracture of the left wrist, close fracture Of the right fracture, broken tooth, stitches above my right eye, stitches below my lips and fracture C10 vertebrae and other injuries. My wife suffered a fractured right ankle and bruises on some parts of her body .

I enclosed the Hospitalization Leave And Discharge Summary of me and my wife herein.

We wish to claim for our serious injuries and other consequential losses frm the insurance company of the motorlorry.
