Brief Details.

On 2 September 2024 at around 2200hrs, I met with an accident along PIE towards Changi near the Lian Shan Suang Lin Monastery at Kim Keat. I was travelling on lane 2 when a black Toyota car (SGY9061Y) lost control from my right and came into my lane. I had no time and distance to react and ended up hitting his left front door. His car was perpendicular to my car, facing the road shoulder. I ended up losing control of my own vehicle, a blue Honda Vezel (SLC2528Z) and crashed the side barrier of the road shoulder. My vehicle was facing oncoming traffic when it finally came to a stop. The Toyota driver asked to settle mutually but the Traffic Police Officer said that it was not possible as there are injuries and damage done to government property. I was conveyed to the TTSH via SCDF ambulance. I had chest pain and some bruises as a result of the impact.
