# SINGAPORE ACCIDENT STATEMENT

#### IMPORTANT NOTICE

- 1. Please report correctly the details of the accident to speed up the claims process.
- 2. This Form must be completed by the Policyholder and/or the Actual Driver
- 3. Information provided must be as truthful and accurate as possible. Any wilful misrepresentation or witholding of material facts may allow insurance companies to repudiate policy liability.

  4. The issue and acceptance of this Form by insurance companies is not an admission of policy liability on the part of the insurance companies.

- 5. Any false reporting may be referred to the Police for investigation.
  6. This report will be forwarded by the insurers of the GIA Records Management Centre established by the General Insurance Association of Singapore (GIA) for archiving and that copies of this report will, for a fee, be made available upon application by interested parties
- 7. By the lodgement of this report to the insurers, you hereby consent to the archiving of this report at the centre and to copies of the report being made available aforesaid.

### Brief Details.

On the stated date and time, I was driving SLT6050T along PIE(Tuas) slip road towards KPE(ECP) when I was gradually coming to a stop due to traffic conditions.

Before I came to a complete stop, a massive impact slammed into the rear of my vehicle unexpectedly causing it to surge forward.

The impact was so huge that I crashed into the rear of the vehicle in front despite having kept safety distance,

My body lurched forward and was restrained by the seat belt.

I was in a daze for awhile before I alighted.

Upon alighting. I realised that I was involved in a 4 car chain collision involving

SLV2839B SMA3714U SLT6050T SLT3625E

where mine was the 3rd car.

My vehicle was badly damaged due to the collision.

I immediately felt pain in my chest and back areas

As such, I was conveyed to TTSH via ambulance

On the way to TTSH, I started feeling pain in my neck and both shoulders as well

I was treated and discharged the same day with 3 days MC

The same evening, I also discovered that I had suffered contusions and abrasions over my inner arms and right foot areas.

I will seek follow up treatment if the pain does not go away
