CONTINUATION OF REPORT

Report No. J/20240925/7039

I, Jenny John Pillay (Fin: G2252124T) was waiting at the Benoi Road junction traffic light (red) to turn right on 24th September 2024 at 7.30pm.

While waiting there was a lorry vehicle (XD1325B) waiting at the back of me to turn right as well. All of a sudden, (the traffic light was still red) the lorry was slowly moving towards me and hit on the right side of my right side and I fell to the left. The lorry's tyre passed over my bike and stopped and I tried to remove my stucked leg from my bike and successfully removed myself from my bike. By the time I stood up the traffic light turned green and the lorry continued to move by dragging my bike (50metres) until stopped by other netizens.

Thereafter, my bike was removed and I was brought to Ng Teng Fong General Hospital by ambulance. There was one eye witness involved (Prakash - +65 9035 5684).

After taking xray, the doctor confirmed no fractures and allowed me to return home with medical leave until 1st October 2024.
