**Brief Details.**

On the 17th October 2024 at about 1.40 pm, I was driving my vehicle (SNG9261B) along Ang Mo Kio Avenue 1 towards Bishan. As I was approaching the junction of Ang Mo Kio Avenue 10, the traffic light was red in colour and I had stopped my vehicle on the 2nd or 3rd lane of the 4-lane road. Suddenly, there was another vehicle (GU8200T) which collided into the rear of my vehicle. The impact was very hard and the rear windscreen of my vehicle was shattered and the rear of my vehicle was badly damaged. There was no passenger in my vehicle at that point of time.

I had alighted from my vehicle together with the driver of the other vehicle to exchange details. Due to the accident, I felt pain at the back of my neck and lower back area and I also felt giddiness. I had gone to the Trinity Medical clinic at Apt Blk 273C Punggol Place #01-874 S823273 to seek treatment for my injuries and I was given 3 days medical leave. There is a rear camera installed in my vehicle but I am unable to retrieve the footage and it was also badly damaged.
