Brief Details.

On the stated date and time, I was driving SNS9206Z along Scotts Road.

I had gradually come to a stop at due to traffic conditions when moments later, a massive impact slammed into the rear of my vehicle, catching me completely off guard.

My entire body lurched forward due to the unexpected impact only to be restrained by my seat belt.

Upon alighting, I realised that SGF738R had crashed into my rear and both vehicles were badly damaged.

After the accident, I started feeling pain over my neck, shoulders, chest, lower back, right knee and right calf areas.

Later the same afternoon, I sought treatment at GP Healthcare after I finished a meeting nearby.

I was given 7 days MC for injuries caused by the accident.
