

Renewing Expiring Vocational Licence

You will receive a notice from LTA to renew your vocational licence 1-2 months before it expires. The notice will inform you of any requirements you need to meet, and how you should renew your notice. The renewal process will take about 10 working days, if all the documents are in order.

You may be asked to renew your vocational licence via one of the following methods:

- GoBusiness Licensing portal
- AXS
- Make an appointment at LTA Customer Service Centre

Renewing expired vocational licence

You are reminded to renew your vocational licence before it expires. If your vocational licence has expired, you may still renew your expired vocational licence if it has not been expired for more than 3 years. For expired vocational licences which have been expired for more than 6 months but less than 3 years, a late renewal fee of \$25 will apply. If your vocational licence has been expired for over 3 years, you must [submit a new application](#).

Follow the steps below to renew licences that have been expired by not more than 6 months, and licences expired over 6 months but less than 3 years.
