Brief Details.

i was going straight on Loyang Way approaching the bend towards Upper Changi Road N, when there was another rider (FBS7570B) that was turning out from the left side from the back gate of SAESL without checking for oncoming traffic.

He did not check for oncoming traffic before turning out and just turned out without looking. i jammed braked and tried to swerve right, however did not managed to swerve far enough and side swiped him.

i have footage of what happened on my bike's camera, which i will need to go and retrieve once i can get my bike back from TP as they have towed it away temporarily.
