#### Brief Details.

I was driving along the third lane of marina Boulevard, trying to turn left onto sheares Ave.

Suddenly I felt a hard impact from the rear left portion of my vehicle, the hard impact then caused my vehicle to spin around.

When I alighted to check, I realised that vehicle SNL2408M, which was driving on my left hand side, had attempted to go straight instead of turning left. His lane could only turn left, while my lane could turn left or go straight.

I later went to parkway Shenton medical clinic at Republic plaza, where I received treatment for my neck, back, and shoulder injuries, received medication, and 2 days mc.
