POLICE REPORT (NP299)

CONTINUATION OF REPORT

Report No. D/20241104/7086

I was going to work on my motorbike (FBL5460K) alone, on Boon Lay Way towards Commonwealth at lane 1, past Chinese Gdn station bus stop 28341, before the next bus stop. There was a traffic jam along the lanes in the right while lane 1 was free. Subsequently, while I was riding, a yellow taxi (SHA8771E), had changed lane to lane 1 by turning left, without turning on the indicator, even though I had sounded my horn while the taxi was trying to change lane. Thereafter, the front of the car's left side had hit me at the right footrest area of my bike, injuring my ankle area, as my leg was caught up between the car and bike, causing bleeding at the ankle area. The disk brake of my front bike wheel had stopped working afterwards, and the front shock absorber had stopped working. The tank of my bike above the footrest was also dented. I am unaware of any further damages yet. Afterwards, I did not fall off my bike, but slowly drove off my motorbike to the side, where the taxi had also followed and stopped the vehicle. Both of us got out of the vehicle and talked, and taxi driver had applicated but I did not speak since I was in of us got out of the vehicle and talked, and taxi driver had apologized, but I did not speak since I was in pain. My leg was bleeding a lot so I called for police, gave facts to police and was conveyed by ambulance. I was asked by the police officer to lodge a report, I am unaware of any witnesses.
