Hi Bryan

We would like to seek for your expertise and profession advice for this taxi
RH side Chassis) damage is it **safe to repair** or **unsafe to repair**.
This vehicle currently in changi workshop.

Attach photo and screenshot for your perusal.

Sketch Plan

Subject: SHD1003U TAX/11/24/2055 OD CASE (RH SIDE CHASSIS FRAME DAMAGE)

Hi Damian / Timothy / Micheal

We would like to request permission to engage independent surveyor to resurvey the damage on above mention vehicle. Due to the severity of the accident on the RH front portion and the front Chassis , we would like to get another option from independent surveyor if the vehicle is safe to repair and comply to LTA regulation. Thanks

Best Regards
munsan
