Brief details:

I am making this traffic accident report due to an accident that happened today on 28 November 2024 at about 7.18pm on AYE. I was driving along the second lane travelling at about 70km/h to 80km/h speed as it was raining. A Mercedes Benz car plate no. SMR4394M had suddenly changed lane from the first lane to the second where i was in from my right. I had slowed down seeing the car had changed lane. However, the car suddenly came to a complete stop instead of driving and i could not react in time. There was no reason for the Mercedes Benz to come to a complete stop as I think he may have missed the exit and made a rash decision to make a complete stop and there was no vehicle in front of him. My car had hit the left side of the car as a result. I am making this report for insurance claims and making a report against the driver of the car for inconsiderate driving. The driver had left immediately and we exchanged contact numbers and NRIC photos. I have a video of the accident. Driver name: Chua Chong Han NRIC:S9420251E
