Brief Details.

On the above-mentioned date and I was travelling in my vehicle (SLB5197E) along Dunearn Road with a passenger. I was going to make a U-turn as such I stop my vehicle and waited for the on-coming car to pass, however I felt an impact from the rear, as such I went down to make a check. There was a Taxi (SH7169J) rear ended my vehicle. As such my vehicle rear bumper dented in and there were scratches.

I made a check with my passenger, and she said she was fine. I wish to inform that there was no police or ambulance at scene no was injured. I have in car-camera installed I can provide the footage however is only the front view. Today 02/12/2024 morning I woke up feeling pain in my neck, as such I went to consult a doctor and was given 3 days of MC.

I am lodging this report for insurance claim purposes.
