Brief Details.

On the above mentioned date and time, I was driving along Sengkang East Road exiting from the highway and turning at the bend. There were vehicles oncoming as such I slowed down before making a turn however I believe the vehicle behind me was looking at the oncoming vehicles while slowly making the turn and did not realise I was still in front of his vehicle, as such the front of his vehicle hit the rear of my vehicle. No one was seriously injured and no police was required however I felt swelling on my forehead as such I went to a clinic on the same day of the accident and received 4 days MC.

I am lodging this report for record purposes.
