BMW 1 Series Hatchback 116i Luxury (A) Review

A quality ride and plenty of safety features make the BMW 116i a convincing premium hatchback. But can you make do with just 107bhp?

What We Like

- Plenty of tech and safety features despite the price
- Excellent ride quality, even on run-flat tyres
- Quiet cabin

What We Dislike

- Needs more power

Driving and handling of the car are great too especially sport mode. Car take up very fast when at high speed. The...
