Hi

Refer to your enquiry below.

We have not received the password for the accident report.

Meanwhile, please advice has the bike been repaired? If no, then where is the bike lying at now? Is there an estimate cost of repair given by the workshop for the bike?

Will provide a quote of our fees thereafter.

Best Regards,

Bryan Ang

Subject: Re: Enquiry on motorcycle damage accident surveyor

Hi Bryan,

My name is Maryam and I'm looking to engage a surveyor. My friend earlier called in to your office and they referred me to email to you. I have hired a lawyer for my case and I just need the damage assessment to claim the amount for my case of accident. I was on a motorcycle and I got into an accident with a bus on 27 Nov 2023 at a junction in Pasir Ris.

I would like to enquire on the costs as well as the process and anything that is able to help expedite this matter. I have attached the Full Accident Report in this email. I will send the password to the file in a separate email. Hope to hear from you soon.

Best Regards,

Maryam
