Brief Details.

On 28/12/2024 at about 0900hrs, my wife and I had plans to have breakfast together, so I decided to bring her out. As we are on our way to exit the carpark, I was turning out at a corner of Blk 741 Tampines St 72, about to exit the gantry onto the main road. Before reaching the turn, I saw a vehicle SHC1727U approaching the turn in the opposite direction and was driving very fast. I slowed down to a stop however the driver made no attempt to slow down and eventually made a sharp turn into my lane and collided with my stationery vehicle.

We both drivers exited the vehicle to make a check on the damages. Both parties exchanged particulars, and I took picture of the damages. My wife and I was not injured, and the other driver was not injured as well, there was no ambulance, and police being called.

I had already informed my Taxi company, and they require me to lodge a police report hence I am lodging the police report.
