On 7 June 2024 at about 7.00pm, I was driving along Yio Chu kang Road.

While approaching Upper Thomson Road junction, there were 2 vehicles (a lorry-YP 2500E and an unknown van) parked on the right side of the road. Hazard lights on the unknown van were switched on. I kept to the left side of the road.

The lorry-YP 2500E then started to move forward without switching on the indicator light. There was PUB construction works being carried on the right side of the road on the grass area. There were no safety cones placed on the road to warn oncoming drivers. More importantly, there was no safety warden stationed there to control traffic.

While driving off, the lorry YP 2500E collided into the right side of my car causing damages to the right mirror by dislodging it including the entire right side of my car.

No physical injuries were seen.
