#### Brief Details.

On 11 July 2024 at 1530hrs, I was travelling along the slip road of Tampines Expressway, exit 2A towards PIE(TUAS), Upper Changi Road East and Bedok Town. This is a 2-lane road, and I was travelling along lane 2. I wish to state that I have 03 passengers in my taxi.

As there was heavy traffic, the speed was slow, and I had to stop. As the vehicles in front moved forward, I began to accelerate from a stopped position on lane 2. Out of a sudden, I felt a hard impact hitting my taxi from behind. Moments later, another impact was felt. I then realized that I have been involved in an accident, and the same vehicle behind me has hit my taxi twice. I checked on my passengers before getting down from my vehicle.

I then exchanged particulars with the other driver. As a result of the accident, my taxi sustained a big dent on the rear boot area. No police or ambulance was called to the scene. I continued to drop-off the 03 passengers at their destination. They also informed me that they will seek medical assistance on their own, I felt discomfort on my neck and back area, as well as giddiness.

I then visited Horizon Medical Pte Ltd and was given 04 days Unfit for Duty from 11 July 2024 to 14 July 2024. I have a in car camera inside my taxi with the front and rear view. I am lodging this report for Traffic Police to assist me in the matter.
