Brief Details.

On 09/06/2024 at about 1200hrs, I was riding my bike AQ88X along Frankel Ave towards the general direction of East Coast Road to head home. I remembered that as I was riding, a dark coloured car drove onto my way from the left side, I could not brake in time and collided onto the car. I was thrown off the bike as a result of the collision. I remembered that I was in a lot of pain, and I was conveyed by ambulance to Changi General Hospital, where I was warded for 2 days. My doctor had informed that three of my left ribs had cracked. I was not given any medical leave as I am a retiree.

I understand that my bike had been towed away by Traffic Police. The Investigator can contact me through my son, Raymond Tan 91830009.
