Describe Circumstance of the Accident
Saturday, 6 July 2024, around 7.36pm. Incident with SMRT Bus Service No. 176, Bus Plate No. 1459 (no alphabets captured).
I was driving towards the Hillion Mall car park entrance. I stopped before the entrance since the car were jammed due to heavy traffic. This was my first time to this mall. I did not realise I was in a yellow box as it was quite dim. I also did not realise there was a Bus Terminus entrance on my left. There were also cars behind me in the yellow box. I only realized this when Bus Service 176 wanted to enter the Terminus on my left and could not and the bus captain started honking NON-STOP at us. I signaled my apologies for blocking his way and to wait for me to clear asap. I was paying close attention to the cars in front so I could move forward quickly. Within less than 2 minutes, I inched forward as much as I could to give space to the bus captain to move. Once space was cleared, the bus captain drove in but at a speed which I felt was fast. Suddenly, I felt a thump on my car and knew that the bus has hit my car. My friend also felt the thump. The captain did not stop at all but drove straight past me and into the Terminus as the same speed. He also did not slow down to show or acknowledge that he has hit my car. I could only quickly capture the bus plate no. and my friend, who was in the car with me, also helped me confirm the bus plate no. and the service no. I had to continue moving into the car park. After I parked my car, I took a picture of my bumper, at about 7.40pm.
On Sunday, at around 10.45am, I called SMRT hotline, 18003368900, and spoke to the Officer, Syn Kor and described the incident above to him. The incident was noted with Ref: 2407-01469-01. They will investigate and will take about 14 days.
I also called Liberty Auto Assistance Hotline at 1800 542 3789 to report the incident.
I just called SMRT on 08/07/2024. They said they have cameras on the left and right of the bus and the incident would have been captured on their systems including the speed of the bus.
