CONTINUATION OF REPORT

Report No. F/20240721/7035

Yesterday, my car, SMQ5700L, was parked at Blk 70 lot 347 in my condo premise from 10.50am to 1.50pm. When I went to retrieve my vehicle at 1.50pm, I noticed that my car was scratched and dented on the driver's side door. After looking through my dash cam recording, I found the clip which shows the accident happening at 1.34pm whereby a silver Volkswagen Golf, SKM533E, reversed and banged into my car before immediately shifting to another lot (503).

The driver and passenger were also aware of the incident but they continued to walk away and only stared at the damage without leaving any contact details or note. They have also not made any attempts to contact me to resolve the issue. I have already informed my condo guardhouse and requested that they save the CCTV footage. I have also informed my Management Office about this accident.

I have tried to reach out to the owner of the car and left a note on their car since this morning. I realise they have driven off from the lot but they have yet to reach out to me.
