Brief Details.

On 29 Jul 2024, I was driving my car (SKM8999S) from Battery Road towards Holland Village for my next appointment with my wife.

When I was traveling towards Farrer Road before the Queensway Underpass, there was some road works going on on the left lane before the entrance of the underpass, so several vehicles in front started filtering right. I turned on my right signal light, waited for an opportunity to filter into the right lane, when I spotted a big gap between the van in front and the Toyota CHR (SJK3383Z) behind who slowed down, I took the opportunity to let my car merge fully into the right lane. Shortly after merging into the right lane, the van in front of me slowed down, I followed suit, then I saw the CHR in the rear view mirror coming fast towards me and she hit the back of my car. The impact felt was quite big
