Dear Sirs

ACCIDENT INVOLVING YN7733C & SNH3662L ALONG BUKIT TIMAH ROAD  
ON 9 JUNE 2024

We refer to the Alcohol Breathalyser Test conducted on Annadurai Ashok dated 9 June 2024

Based on the result, his blood alcohol content of 74mg/100 ml exceed the legal limit of 35mg/100ml.

Under General Exceptions (1) of the Motor policy which states :-

“ we will not be liable for any accident, loss, damage, injury or liability where your vehicle is being used or driven:-

- By any person under the influence of intoxicating liquor, alcohol, drugs or medication”

In view of the breach, we hereby repudiated all liabilities to you and/or driver

If we are compelled by any Legislation or Statute to settle any injury claims arising out of the accident , we reserve our right to seek reimbursement from you for our outlays.

Based on the

Yours faithfully
