Dear Ruth,

We refer to your below email.

Please be informed that we managed to have the TP CCTV Footage (copy sent via Accellion). Based on the footage, TP was driving on a single lane dual carriage and made a right turn to enter the building premises when OI vehicle overtakes and collided to TP vehicle.

As such, under bola 33, OI vehicle is more liable.

We will now proceed to do DS with TP claimant as per your below email.

Thank you.
