Dear Syaza,

ACCIDENT INVOLVING VEHICLES SFX 2918S(OI) AND FBF 8555H(TP) ON 12.02.2014

We refer to the above matter.

It was reported that the accident was caused due to a wheel on the road in which TP had hit onto it then fell down and was hit by OI vehicle. Please refer to both GIA report for your reference.

We had spoken to the Insured where he was informed of the TP claim and NCD issues. OI had informed us that Traffic Police will take action against the owner of the wheel that caused the accident.

Later on, we received the PIR and Traffic Police take no action as their investigation does not produced any substantive results. Please refer to the enclosed copy of the PIR.

In our view, our Insured also had to bear 50% of the TP claim as he also collided to the TP vehicle that fell on the road.

For your approval please and/or for further instructions.

Thank you.

“Wishing you a Happiness and Prosperity New Year”
