Brief Details.

On 12 Nov 2014 at about 1230hrs I was driving SAF mini bus (MID46307) along Gombak Rise. At the intersection of Hillview link and Gombak rise, a civilian car (SJJ8765C) hit the minibus from the rear left section causing the moving minibus swerved left and hit the railings along the road. The driver of the civilian car came to check on the mini bus and admitted her mistake to me. Particulars were exchanged, there were no visible injuries on any party. The minibus suffered damages on the left rear, the front bumper and radiator also suffered damages from hitting the railing. The civilian car suffered damages on the front right bumper, bonnet and the head lamp.
