**Brief Details.**

On 11/12/2014 at about 2215hrs, I was travelling along the most right lane of Dunman Road towards Old Airport Road. Out of a sudden, before I reached the junction of Tanjong Katong Road and Dumman Road, a black colour vehicle bearing plate number SJQ48E came driving head on from the opposite direction towards my vehicle. As everything was happening so fast, the front portion of the black vehicle then hit my vehicle on to the front portion of my vehicle head on.

After making sure that it is safe, I came out of my vehicle to check for damages and took some photos of the accident. As there was no one injured, no ambulance was called in. The driver then left the location after exchanging particulars. His Particulars are as follow:

Kee You Kok Abraham  
S7035588D  
Hp: 97800044

After leaving the accident location, I felt pain on the back of my neck and back thus I went to Mount Alvernia Hospital to seek medical assistance and was given 5 days of medical leave by the doctor.

I wish to state that the visibility was normal at the time and my taxi has a CCTV.
