Dear Hsiao Tong

TP had a stop line, and was coming out of minor road. Hence he should have exercised caution and should give way to the vehicles on the main road. We maintain our denial.

Dear Sundari,

We refer to the above matter.

We have rejected third party claim on 07 Oct 2015 as per instruction.

Now third party is appealing on our rejection. Attached is a copy of video footage submitted by third party for your easy reference. We have reviewed the matter and based on video footage, it shows that third party had turned out from minor road and straighten his taxi on the extreme left lane. Suddenly our insured taxi cut into the extreme left lane and collided onto third party taxi.

Kindly advise if we shall consider offering third party at 100% as third party had already on main road while our driver changed into the extreme left lane or else advise further instruction.

Thank you.

***Note: We are on work from home arrangement. All correspondence should be made via email. Submission of claim related documents will be in softcopy. Any inconvenience caused is much regretted.***
