CONTINUATION OF REPORT

Brief Details.

On 15/02/2016 at about 1930hrs, I parked my car of registration plate number: SKW8795K at HTA visitor lot. Everything was intact and I went to the guard house to change my pass. Shortly later, I came back and drove my car off. I did not notice anything. On 17/02/2016 at about 0610hrs, I noticed that the front left side bumper was slightly dislodged. I then made a check on my in-car CCTV and discovered that on 15/02/2016 at about 1935hrs, while I was away to change my pass, there was a van of registration plate number GBE5971P that was making a reverse and hit onto my car. The driver had then drove off the car. This is the first time such an incident have happened. I do not have disputes with anyone. Thus, I am lodging this report.
