Hi Valencia/Vic,

The case has been delayed since Yr 2016, it is a straight forward case with video footage showing the fact. But till now, AXA has not settled the case.

We do not wish to pass the case to lawyer as we are AXA agent.

Furthermore, the owner (which is also AXA fleet customer) is very unhappy about this issue due to the delay.

Please let us have your settlement urgently.

Thanks and best regards,

LAST REMINDER

Hi Vic,

Despite having videos showing your insured reversed onto our client's bus, your insured still disputing on this matter.

We do not think that it is fair to us for waiting such long.

Please check with AXA if they want to settle the claim, otherwise, we will have to pass the case to lawyer and let the Court to decide and even will escalate the cost.

Your prompt reply is much appreciated.
