**Importance:** High

Hi Vic,

Refer to your mandate request in merimen.

Pls refer to screen shots of the video below. OI moved into the junction when light was green in his favour.

However traffic was at a standstill therefore OI could not move forward. When the lights turned green at the other side, traffic cleared & OI moved straight but TP collided into OI.

In this case we should offer 50/50 since OI should not be fully liable or make a global offer. Note: OI is also making a TP claim.

Thank you.

Best Regards
