Brief Details.

On 19th April 2016 at 12:00pm, I was driving my vehicle registration number: SKC1562S (V1) and driving along Coronation Walk towards Bukit Timah Road (Infront of Coronation Plaza at the main entrance).

It was 2 ways road. I wished to turn right to the main carpark however there was another vehicle registration number: SGK3451X (V2) from the opposite direction, reversing as the carpark was full.

As such, I was in the stationary position just before the yellow box. There was an impact from my right front portion and I discovered that there was another vehicle registration number: SK111E (V3) had collided to my vehicle.

The other driver whom is a Malay driver alighted from the vehicle and refused to give his details to me. He told me to report to my insurance. After the accident, there is a witness who came and approached me. He claimed that he witness (V2) the occurrences and wished to by my witness.

I decided to lodge a Police report for insurance claimed.
