Dear Olivia,

Please refer to Eileen's email of 30/1/2018 (as attached) wherein she has rejected Jas's offer of 50%.

Your insured has reported that he was waiting for the parking lot, so his car would be in the position as the white car shown in the attached accident scene photo. If this is to be believed, then our taxi would definitely have to overtake from the right from against the traffic flow as it is a single lane for both direction. But your insured's sketch clearly showed that our taxi was within the single lane.

The damages sustained to both vehicles and your insured's sketch clearly proved that your insured was moving out from the parking lot.

Please let us know by 27th June 2018 if your principal is prepared to settle our claim at 100% based on Bola s14. Thanks.
