AXA,

In case you didn't even see the pictures.

See attached picture.

You paid \$9000 for the sticker. And the best part was I even use my own car polish to removed the black dirt in front the taxi driver.

I want to see the other party claim pictures. And all the claimed documents.

I'm going to email to AXA top management. I'm sure they will love to know why their team release \$9000 for dirt )without any dent and can be remove from polish cream??? And is only a stick

By the way, AXA is my client. This getting very interesting now. I love this man.

Hi AXA,

I just found out AXA released the claim to the other party on the above case!

Why? And worse you release full amounts they claimed and don't even inform me! This is totally a scam. I'm not paying any extra because AXA didn't put effort to investigate and double check with me before you allow they party claim again me and you.

Please see check my report again! And look and the pictures. And the stupid taxi driver even claimed medical and MC. This is totally a scam between insurance company.

\$9000 on the taxi without any dent???

I respray a Porches and even a Ferrari won't cost more than \$5000.

I'm not in town now. I will be back this Wednesday. I will make a police report when I back.

AXA better give me a good reasons why this above claims was released before inform me, before I blow it big in the social media. I will submit this to CASE and press.

Dear Kwee May,

For an update.

We have spoken to our insured, Mr Chin and informed him that the recommended cost of repair is \$720(before GST). We have yet settle the PD claim.

During our tele-conversation with him, he confirmed that there was slight contact but no damages to both vehicles. Our insured is not happy with AXA settlement of \$9,000.00. He will escalate the matter, to challenge third party driver, doctor, workshop, etc. OI will not pay a single cent for this accident.

As spoken earlier, OI wanted us to send him an email for our tele-conversation today and we will copy you in the loop.

Thank you.
