Dear Sashe,

**Accident Involving SGV 5614YU & SHD 5514K on 29/04/2016**

We refer to above matter.

Based on the circumstances of both parties and available information in hand, if we base on TP sketch plan he has driven to the wrong exit. Lane which is meant for season parking holder. Therefore, TP has to move to the right exit which is the visitor. Since OI strongly dispute deny his contributory fault.

We had check with both parties there is no evidence to prove.

As such, we intend to reject the claim.

Kindly advice on your view/opinion/instruction for this claim.

Thank you
