Dear Janet,

We refer to the above matter.

Third party reported that he was travelling along Henderson Road towards Jalan Bukit Merah. Suddenly our insured's driver cut into his lane and touched his taxi right front portion. It did not stop and just simply drove away. Third party followed our insured until after one bus-stop away.

Our insured's driver reported that he was driving straight along Henderson Road when suddenly third party claimed that he had collided onto his taxi.

There was no video footage from both parties.

As per our tele-conversation earlier, we had contacted our insured driver, Mr Chin to verify the nature of accident. He adamant that there was no collision between both vehicles. The damages to his van was pre-existing damage.

In view of the above, we seek your instruction In order for us to proceed further.
