Dear Dennis,

As per our tele-conversation few days ago, we would like to seek approval to reopen this case for further handling.

On 10 April 2017, we have concluded settlement (uninsured losses claim) with M/s Cycle & Carriage Industries Pte Ltd acting for the civilian. However we did not receive subrogation claim(repair cost) from the civilian insurer. As such, Army approved to temporary close file on 17 July 2017.

Now, we have received subrogation claim(repair cost) from civilian insurer, M/s AIG Asia Pacific Insurance Pte Ltd. Attached here with the following documents for your easy reference.

We have reviewed the matter and we are of the view that TCA is applicable as third party policy coverage is under Comprehensive with \$800 Excess.

We would like to seek your approval to reopen the case and proceed with TCA settlement with AIG as below computation: -

	Amount
Cost of Repair to SDE2200C (TP)	\$ 3,102.02
<b>TCA reimbursement to AIG @ 50%</b>	<b>\$ 1,551.01</b>

Kindly let us have your instruction.
